Experience

Elliot has extensive experience representing private companies and investors in strategic and financing transactions, including mergers, acquisitions and sales transactions, and offerings and purchases of equity and debt securities. Elliot also regularly advises clients on joint venture arrangements, commercial agreements and operational matters.

Elliot has also represented public companies and investment banks in connection with public offerings, SEC reporting and compliance matters and corporate governance matters.

Elliot's clients range from early emerging growth companies to multi-national corporations across a broad range of industries, including technology, life sciences and retail.

Prior to joining RKR, Elliot worked in the corporate finance departments at major New York law firms.
